Secretary-Treasurer	Mrs. Dempsey Thornton
Director of Research	Mrs. Herbert F. May

PRESIDENT'S MESSAGE:

In April, 1969, at a regular meeting of the Mid-West Tennessee Genealogical Society it was suggested that a name be selected for our Newsletter. It was voted by the membership that a contest be held with members submitting names and "yours truly" appointed to select the winner, the prize being a one year membership to the Society. Not having a great desire for that job, permission was asked for and received to have someone outside the Society make the selection. After such excellent names began to come in, I was most happy this permission was granted.

A list of names without the name of the person submitting them was given to the judge. A most sincere thank you to our good friend Donald B. Spencer, Sr., of Memphis, Tenn., for acting as judge. Mr. Spencer advised me that he received some help on his final decision.

Now the winning name--"FAMILY FINDINGS", submitted by Mrs. Herbert F. May, 315 Hollywood Drive, Jackson, Tenn.

It might be of interest that "Family Findings" was the final selection after the choice was narrowed to four. The other three selections in their order were: No. 2, "Search and Research" by Miss Louise Sublette; No. 3, "Lineage Links" also by Mrs. May; and No. 4, "Twigs from Tennessee" by Mrs. Howell Lee Davidson.

Now it has been said that a good name is to be chosen over great riches. We now have a good name, but we hope we will also have great riches in finding our families!
